

Good day Logistics Planner,

**Are you looking for a reliable freight partner that offers competitive pricing on ground, ocean, and air shipments?**

***Then look no further because RZ Logistics wants to bid on your next shipment!***

RZ Logistics started out in 2019 specializing in domestic LTL, Truckload, and Drayage freight throughout North America. Since then we have added specialized logistics services, warehousing, fulfillment, and international ocean and air freight.

We work with many industry types from Food/Wine to Metals due to our low overhead and ability to mold to meet our customers needs. We offer instant quotes, fast bookings on loads, and complete control and visibility with online portal access. We invoice promptly and fix any billing errors promptly as well as handle all claims in house. Lastly, I will always take great pride in managing your loads from quoting to invoicing and will always be available as your main point of contact.

Email [Rzenner@rzlogisticsusa.com](mailto:Rzenner@rzlogisticsusa.com) or call 702-726-9645x1001 for a free consultation or instant quote. I also offer pricing on yearly / quarterly bids upon request.
